RESEARCH EXPERIENCE

Research Assistant	05/2018 – 12/2020
Brain Cognition and Development Lab, University of Florida	
Honorary Lab Member	12/2019 - Present
Language & Multilingualism Lab, McGill University, Canada Collaborating with Dr. Debra Titone and Mehrgol Tiv	
Research Assistant	09/2012 – 04/2015
ERPLing Lab, University of Ottawa	

TEACHING EXPERIENCE

Co-teaching:	Advanced Developmental Cognitive Neuroscience Methods (Psychology 6059; Spring 2021)
Course instructor:	Introduction to Linguistics (LIN 3010; Summer 2016, Summer 2017 – Spring 2020)
Teaching Assistant:	Introduction to Linguistics , University of Florida (LIN 3010; Fall 2016 – Spring 2017) Linguistic Analysis I , Carleton University (LING 2005; Fall 2014 – Spring 2015) Introduction to Linguistics I , Carleton University (LING 1001; Spring 2014) Syntax I , Carleton University (LING 3004; Fall 2013 – Spring 2014)

SERVICE TO THE PROFESSION

I have organized various local conferences, workshops, and museum days to promote active engagement in the Language Sciences. I led graduate students in my department as their society president. To the broader scientific community, I have contributed as an active reviewer for different journals and a language consultant.

LEADERSHIP

Aside from my interdisciplinary research, I have served in a wide variety of leadership positions. From advising undergraduate students to co-chairing LGBTQI+ caucuses to organizing local conferences. I have been and will continue advocating for diversity, inclusion, and transparency in academia.

PEER LEADERSHIP

Since the second year of my graduate school experience, I have been training and mentoring undergraduate students from diverse backgrounds. I have taught the students below hands-on participant testing and data analysis methods for EEG and behavioral studies.

Daniela Sierra, Psychology, University of Florida (Spring 2020)
Beatrice Villanueva, Computer Science, University of Florida (Fall 2016 – Fall 2018)

COMMUNITY LEADERSHIP

I am actively working with local and global communities to address the needs of different minority groups, especially LGBTQI+ individuals. I work on creating a safe space for transgender academics and students by continuously promoting physical and mental health care on campus and promote gender equality in academia.
